

**FAAS**Team presents:

# **Flying the SF Bay Tour**

Flying in the San Francisco Bay area is spectacular, a real privilege for local pilots. The Pacific Ocean, a dramatic coast line, beautiful hills, and many famous landmarks. As pilots, we are afforded a rare bird's eye view that we long to share with our friends and family.

So what exactly is a "Bay Tour"? SCFC Chief Pilot Dan Dyer will explain the various meanings of the phrase "Bay Tour" and how a pilot can accomplish one in the safest, simplest, most enjoyable manner.

We'll review the various overlapping airspaces in the area, the territories for each local ATC facility, and the routings most commonly used by Flight Center pilots. You'll learn what options are available to you even if SQL ATIS has the phrase "San Francisco is not taking surface area transitions."

If you are new to the Bay area, or just want to improve your understanding of local airspace customs and procedures, please join us for this popular seminar.

**Directions:** Pilots who fly in should park in transient parking on the opposite side of the field and expect to walk about 10 minutes (.5 mile) to the Flight Center. Suite 215 is upstairs in the northwest corner. On occasion, rides may be prearranged through San Carlos Aviation and Supply.

## Event Details

**Sat, Dec 5, 2015 - 12:00 PST**

**San Carlos Flight Center**

655 Skyway Road

Suite #215

San Carlos, CA 94070
